

Public Notice
Voluntary Remediation program

In accordance with the public participation requirement of 9VAC20-160-120, the general public is hereby notified that Weavexx Corporation, the owner of the property located at 400 Industrial Park Drive in Farmville, Virginia has voluntarily enrolled the Facility Area at the site in the Virginia Voluntary Remediation Program (VRP) administered by the Department of Environmental Quality (DEQ). Aware Environmental® Inc. has prepared and delivered to the VRP, results from a Site Characterization Study. Uniroyal, a former occupant of the site, operated a boot and golf ball manufacturing facility between 1968 and 1980, which is believed to have caused contamination at the site. Institutional controls prohibiting the use of groundwater and use of the site for residential purposes have been proposed to mitigate any potential risks posed by the contamination. The DEQ VRP is prepared to issue a Certificate of Satisfactory Completion pending the completion of the 30 day public notice period. If you wish to comment during this time, please call Mike Smith at (704) 815-1674 or submit comments in writing to Aware Environmental, Inc., 9305 Monroe Road, Suite J, Charlotte, NC 28270.
